“ I am so sorry to hear of Dr. Leavitt’s passing. He was a friend of mine since 1981. He was a gentleman, a comfort, and loved to brag about his children. We loved talking cars, skiing, and family. He always had a smile and a comfortable way about him that left you the better after a conversation. My last conversation with him was the day he was released from rehab and he was cracking wise even then. He was a good man. I will miss him.
