“ Gail and I have been friends since I was somewhere between 11 and 13 it was a long time. I met Gail through my sister Arlene but years later she became one of my best friends. She introduced Eckankar to me and Nancy. Gail gave Nancy and myself four of our initiations into Eckankar. We had so many lovely trips together in Alaska and also the Caribbean a couple times. If there was one person that could make me laugh so much that was Miss Gail her and I would get to talking and we would just laugh and laugh and laugh. I'm going to miss that girl so much with all my love to you. I know that you're on a special journey up there with all the yak masters enjoy.

“ Gail was a life-long friend. Although we didn't visit in the last few years, I have wonderful memories of visiting her and Janie in Fla on a few occasions and spent lots of fun times together when she lived in Washington DC. While in Fla. she heard of my partners terminal diagnosis and drove all the way to our house in Rehoboth DE to reminisce and be supportive. I will never forget her happy face and heart. May she soar now without earthly boundaries.

“ Gail always had the most beautiful smile and kind words every time we ran into each other at an Eckankar event. We knew each other when I lived in Virginia and then here in Fl. A most loving Soul who was a delight to know and spend time with, she will be missed.

“ Gail and I met in the 70s thanks to Paul Twitchell and the love of ages. We were both in publishing in the Metro Washington DC area. We have a lovely easy friendship.

Dear sympathies to her family on Gail's passing. May the Blessings Be.
