

Mr Glenn K Hoff

November 19, 1952 - April 26, 2018

Glenn K. Hoff, 65, of Lenox passed away peacefully on April 26th with his wife by his side after a strong and valiant fight with cancer. Born on November 19, 1952 in Pittsfield, the son of Alice Hoff and the late Elwin Hoff, he was a 1971 graduate of Lenox Memorial High School.

Mr. Hoff owned and operated Hoff's Service Station for over 40 years. He was a man that worked hard every day of his life to provide for his loving family. He took great pride and enjoyment working and helping others. He was the person you could always count on to help and lend a hand.

He leaves his beloved wife of nearly 45 years the former Laurie Feltre, whom he married on June 22, 1972. Glenn and Laurie lived an amazingly full life together, filled with tremendous love and laughter with absolutely no regrets— they were true soul mates and best friends. A true real-life love story.

He is also survived by his two children, Glenn D. Hoff of Pittsfield and his three children Parker, Blake and Bryce Hoff and Shannan Hoff Reber of Lenox and her three children, Savannah, Dawson and Jaydee Reber; Glenn leaves his two sisters, Linda Lagarce and her husband David of Marina Del Ray, CA and Sharon Faber and her husband Mark Faber of Stockbridge; a brother, Steve Hoff and his wife Amy of Irvine, CA; brother-in-law Robert Feltre of Scottsdale, Az., and parents-in-law John and Elaine Feltre. Glenn also leaves his dear close friends that he considered his family and brothers. He will be dearly missed by all whose life he touched.

His kindness, stories, and his love and loyalty to his family and friends will leave a void that will last forever. He will be cherished for eternity. God gained a true angel.

“ Dear Laurie and Family,

For many years, my husband Brian and I have been retired in Mexico. However, when we think about our 38 years living in Lenox, Glenn is part of the story. When I was a young mother and would get stranded on the road in winter—or any other time of year—with my little daughter Shannon, all I had to do was call Glenn and he would come immediately. I was always so grateful to him. Whenever one of our cars broke down he would send the truck, drive us home, and take our car back to the station for excellent repair. And when Shannon was old enough to drive and would

break down, I was so thankful that I could always count on Glen to rescue her and bring her home.

Glenn was a true fixture in the community....and beyond. He was always friendly, cheerful, and helpful to all. Whenever we saw him, we would catch each other up on one another's family life. From what he would share, it was crystal clear that he was so proud of his children, and there was no doubt he sincerely loved you, Laurie.

Even though we are far away and hadn't seen Glen in many years, we still feel a great sense of loss at his untimely passing. You are so fortunate to have had Glen in your life—and so was anyone else who knew him. He is not one to be forgotten!

Our hearts and prayers go out to you and your family.

“ Laurie and the Hoff family... I met Glenn many years ago when I started coming to Lenox from NYC to visit a dear friend in my battered VW. Glenn helped me keep my bug running. Soon some of my NYC friends started limping their cars up from NY to this honest, friendly guy we started calling our "Uncle Glenn." Much later on I moved to Lenox full-time. Laurie jogged past my house on Sunset with her babies, and then her grand babies. I know I am not alone in saying your wonderful family is a cherished part of life in our town. The tribute the tow truck drivers made in honor of Glenn (and his bike!) on Monday, brought me to tears... again. Some people are just such a pleasure to be in the company of... And this was true of Glenn, whether he was giving a jump start, bringing gas without making us feel stupid for running out, going all the way to Armonk, NY to bring a lame automobile back home, or outside when you happened to pass by the station. Always a kind word, always mention of family news or a local story, always that great laugh and warm smile. My love goes out to all of you. Thank you for sharing your dear Glenn with us. He is irreplaceable and will be forever missed.
