“ I met Heidi when Connor and Hannah were in Middle School. She always had a smile on her face and was so upbeat. I had the pleasure of serving with her on the school committee where she always helped us keep things in perspective. I am grateful for her friendship and I will remember her for always living life to its fullest. Rob and Connor, keeping you in my thoughts at this very difficult time. May your memories and the love Heidi had for you sustain you. - Arlene D. Schiff

“ Everyone needs someone to come into their life like Heidi. Her beautiful smile was only outdone by her beautiful, loving heart. There is no one else with whom I would have done an Ice Bucket challenge. I will cherish every conversation and every laugh and every hug. Rob and Connor, please know I am here for you any time. I will miss my friend deeply, but my life is much better for having her be part of it.
