“ Condolences to the whole Agar family. We are so glad we got to visit with Aunt Helen in July. She was gracious as always and that is how we will remember her. Every time we saw her, she reminded David that he threw up into her pocket as a baby. It always amazed us that she remembered that. Aunt Helen was an amazing woman and will be missed.

“ Our hearts go out to you all for the loss of your Mom. Whenever we had the opportunity to go back to the Church On The Hill, we were ALWAYS greeted with such joy! Helen would always say, "I just love your family!" And the feelings were mutual. To see her bright and cheerful smile, lighting up the entire church when she saw us was something we'll never forget and will always be grateful for. Helen made us feel SO special and SO loved and it saddens us that the world has lost this wonderful woman. God bless you all and I pray that God wraps His arms around your Mom and takes extra special care of her. She was the kindest of all.
With much love,
Bev Krol and family
