“ Uncle John will be missed dearly. I have so many fond memories of John and Joanna when visiting the farm. What I remember most about John was he always found reason to laugh. He and his brother Casey were more like best friends than brothers. They loved to hunt and golf together. I have so many wonderful memories of John. He will surely be missed.

“ When I think of John the thing I remember most is he was always full of mischief, in a good way of course. You never knew what was going to come out of his mouth but you could be sure it would make you smile. So many fond memories!!!! I am sure he's causing some sort of ruckus up there. He will be missed. Joanna please stay safe . You are in my thoughts and prayers.

“ Joanna:
The Table 13 crew was saddened by losing one of our senior members. He and Casey are now playing on the great golf course in the sky.
The last three family weddings were wonderful and John's sense of humor was on full display. Casey's tribute at the Sportsmen's Club downstate was a wonderful celebration of the lives of the progeny of the "Beef Trust".
John will always be remembered by our kids for his humor and fun loving ways. I don't remember if he ever won the Bird Bath Open but he sure made it fun.
You were always there for him. You and our wives somehow survived our family shenanigans and even the inclinor.
Our thoughts and prayers are now with you. Also with Bob and Cris, Eileen, and all the next generation Stengles.

Love

Mike and Joan, Beth, Brian, Anne and Ellie, and Evan.

“ Shelley and I are so sorry to read this, Joanna. My fondest memory of John was the time when he and I went hunting for golf balls in the fall at the club. We found over 2,500 balls that day and spend hours washing and sorting them into the 5 gallon buckets John had. Every time I hit a ball on my range, I will still be remembering that great day with a terrific man. He will be missed. Jim Balfanz
