“ Miss Lou was a fixture in my childhood life. I always loved to hear her smoky voice at Grace's pool telling me 'don't touch that, honey, you'll get hurt". There was always a giant bullfrog in Grace (Karen's) pool. Mrs. O was just an amazing person, she supported my dad when others were not so keen on him, lol (Caruso). She helped us with chopping wood and with just being a regular neighbor. I haven't seen or spoken with her but onc or twice since my Nana's funeral but I know wherever she is, she knows I appreciate everything. Love, Shelby (the big girl across the street, lol)

“ I was so very sorry to here of Mrs Lou passing. She was one of my moms (Sally Ballard) best friends. We lived side by side for many years. Even after we moved to NC my and Lou kept in touch. I still remember looking out my bedroom window Christmas Eve and seeing dad getting our Christmas presents out of the Omelenchuck garage and sneaking them back home. Her homemade cookies were the best. My thoughts and prayers are with her family. Dympna (Ballard) Madigan

“ Have so much sadness at learning the passing of my sweet, funny friend, Lou. Her vitality, sense of humor, wisdom were enlightening. She was friends and so kind with my Mom (102), who passed last August, and me There was almost a routine meeting with her, my Mom and me at Dollar Tree after church on Sundays, until my mother was moved to CT 2 years ago. Unfortunately I have prior arrangements to be out of state this weekend and sadly, won't be able to attend the wake and funeral at St. Ann's, the church she so much loved and was faithful to her faith and trust in God. I will miss her, as so many of us will. My love and prayers to all of her friends and family. Peace, she now is in God's embrace.

“ I am so sorry to her of the passing of Louise . Her and my Mom (Dolly Sapcoe Bogardus) were best friends from Hudson. They did a lot of stuff together, her and Steve would come pick her up for several days at a time till his passing. Then I would meet her half way so her and Mom could still do there girly things . After my Mom's passing on March 15, 2005 Louise and I would still meet half way or in the area for lunch to keep up with how our families were doing. She would tell me about their younger days at Lake Tacghkanic and their Roe Jan Dance nights. She loved her boys and her Grandchildren were very special in her heart. I will miss her dearly..sending thoughts, prayers and love to All. If weather permits will be over to say my last final goodbye. Louise thanks for being a wonderful friend to my Mom and then my Friend . May God Bless You and give Mom a big hug from me.

“ There wasn't a better smile to be found than Louise's, nor a warmer, more welcoming person. I have many fond memories of summertime visits to her and Chuck's lovely home in the Berkshires with my dad, Vincent DeJoy. Louise was not only one of my most favorite relatives but one of my most favorite people. The world has truly lost

one of its brightest lights. My heart goes out to Steve, John, and their families, as well as to Madee and John. May you feel Louise's presence with you, today and always. -- Christine DeJoy, Alexandria, Va.
