“ I am so upset to have heard of Robert's passing this week. He was a dear friend and colleague, and a mentor to so many of us who found ourselves practicing here in the Berkshires. He will be dearly missed.

“ Bob was my first mentor in the legal profession, and perhaps my best. He and Harris Aaronson allowed me to work at their firm as in intern during two three-month periods, when I was in college and first contemplating attending law school and later after my first year of law school. Bob was smart, funny, considerate and wise, and, after my first year of law studies, he gave me a fair amount of responsibility. I had a great career, and even practiced before the judge in New York City for whom Bob had clerked (and about whom Bob had given me lots of insights). - Peter Williams, Stockbridge, MA

“ Irene, Robert Jr., and family:
I am very sorry to hear about the passing of Robert. I have so many fond memories of Robert. He always had a smile that was contagious and a personality that made everyone feel important. Some of my favorite times were at "218" decorating for the holidays, late night dinners, New Year's Eve, and dancing at the parties. My thoughts are with you all during this difficult time. I am honored to have known Robert and cherish his many words of wisdom. Love, Andrea DeMayo

“ I had the pleasure of knowing Bob and Irene when I taught preschool at Berkshire Country Day School and Robbie was in our class! What I remember most about Bob was his intense interest and enthusiasm for everything we were doing in our classroom! No event was insignificant to Bob Fuster! My heartfelt condolences to Irene, to Robbie, and to the whole family. This man shed a very bright light and I know he will be sorely missed.

“ To the Fuster family:

I just heard of Robert's passing and I am stunned. He was my colleague and, in many respects, a mentor for the 23 years I practiced law in Berkshire County. He was diligent,

resourceful and generous with his time, his advice, and his assistance. Even though nearly 20 years have elapsed since I left Berkshire County, I will always remember Robert's wise counsel and good nature. Robert made the practice of law as non-adversarial as it could be, which was a great help both to litigants and to their attorneys. I will never forget Robert. He was one of the finest people I have ever had the good fortune to work with. I am so sorry for your loss.
