“ I had the privilege of knowing Sherry when we were both teachers at Kinkaid. What a character! I always appreciated her candor and wit. Two of my children were fortunate enough to have been her students. They both count her as one of their most favorite teachers. I often quote the advice she gave me about each of them. She was so right in her assessments of them and so wise in her counsel to their mother! Sherry Cooley was a special person who touched many many lives.
