“ Dear Vivian and family, I do not have to tell all of you what a special man Bill was! Both of you were such an important part of the East Auruora Christian Church family! And I have to say that Bill played a special role in my own personal spiritual journey. He was a man who truly loved the Lord with his whole heart, body and soul!

I am looking at this right now... I have written on the front page of my bible (probably from one of our bible studies...)..."JOY...Jesus...Others...Yourself...from Bill Pikett 4/28/2001".

May God hold you in the palm of His hand and comfort you with his everlasting love. With love and peace, Ray and Debbie Kampff

“ Dear Vivian and family-- I was very much saddened to hear of Bill's death. He was a wonderful man, who not only talked about his faith, but lived it every day. I remember in adult Sunday School, you and Bill spoke of a couple of really difficult times you had been through, but there you were, years later, pillars of our church in body, mind, and soul. Although we looked at certain things differently, I have always had the utmost respect and admiration for you both. I learned a lot from you, and I want to know that it has helped me through some difficult times of my own. My two daughters, whom you helped nurture through the years after Lynne's death, are now married, responsible adults. So now Bill rests in the bosom of the Lord, and I hope your faith, family, and friends bring you comfort in the days ahead.
