“ I am sorry to hear of Al's passing and send love and hugs to Becca and the family. I knew Al through our mutual lifelong friend Antony De Vecchi. We spent many, many Thanksgiving dinners together from the early days at The Restaurant to the Glendale days. Many wonderful times and memories, and the best meals ever!

“ Rachel, Rebecca, Sebastian and Scarlett: Your father/grandfather was one of the cleverest and kindest men I have ever known. A real mensch. Treasure your memories of him. They will be a blessing.

“ Been thinking of Al lately, and wondering if he was still on Church Street. Had not seen him in some time, and regret I did not get to say goodbye.

We met first in the early 70's when he opened the Restaurant (I was there...) and his was the best place in town for a lunch. I still have vivid memories of him and the restaurant. Enjoyed his humor almost as much as the food....

“ Al was my neighbor and a good friend. To him, I owe much.... my skill? with roast duck, the cooking tips he passed along, my love of a 'Brown Sugar Crepe" and most of all, the time I got to spend with his daughters. I'll miss you Al, thanks for everything...
