“ To Dan and all of Alison's family.

*Alison and I went to high school together. She was so dear to me. I almost named my first baby after her. There was something so special about her that touched my heart.*

*Recently she asked on Face Book for anyone to share a funny that would make her laugh and take her mind off what she was going through. Oh, my goodness did we ever reminisce & laugh big time.*

*I pray you all find peace with her passing, that is something she would want from all of you.*
