

Mr. Andrew Flint

October 3, 1983 - January 21, 2024

Andrew Flint passed away at the age of 40 on Sunday, January 21st, due to complications from a long-term illness.

Born in Pittsfield, MA on October 3, 1983, to Charles and Laura Flint. He received his education in the Lenox public school system, where he excelled academically and performed in plays by Shakespeare and Moliere. On stage, Andrew was electric, bold, and unpredictable; often displaying a gift for improv that frequently made his scene partners laugh just as hard as the audience. Off stage, he was exactly the same.

Andrew graduated from Wesleyan University in Connecticut in 2006, treasuring the friendships he made and reveling in the enriching academic environment. He possessed a remarkable aptitude for languages and found joy in both listening to and composing music in addition to lively political discussions with others. After college, Andrew worked on several films, including "Glory at Sea" (actor and art department,) in New Orleans right after Katrina.

From a young age, Andrew and his sister Sydney explored museums, frequented antique shops, tag sales, flea markets, and embarked on treasure hunts deep in the woods with their father. Andrew had an insatiable curiosity and a keen eye for various subjects, especially antiques, art, collectibles, and the modernist movement. Andrew had a sharp wit which manifested itself in his writing, and his love of wordplay was a pleasure he shared with his mother throughout life. He was a prolific contributor to publications such as the

Berkshire Eagle and The Berkshire Edge online newspaper, showcasing his talent and passion for storytelling.

Andrew will be remembered for his infectious laughter, his genuine empathy and his ability to make people feel welcome and valued. He leaves behind a legacy of cherished memories and lasting close friendships, a testament to the impact he had on those around him. The Flint family is planning a gathering in the spring. Andrew liked warm weather.

Andrew is survived by his loving family, mother, Laura Flint, and partner, Michael Pelle, of Stockbridge; his father, Charles Flint, and stepmother, Joy Flint, of Lenox; his siblings Sydney Flint, Jodie Flint Blanchette, Jason and Paige Flint, Rachel and Michael DiGiacomo, and Samantha Tejada, and his two beloved cats, Lindsay and Blaire.

Memorial donations in Andrew's memory may be made to Berkshire Bounty or a charity of your choice, in care of Roche Funeral Home, 120 Main Street, Lenox, MA 01240. To share pictures and memories, visit rochefuneralhome.com
