

Ms. Carol J. Dickens

February 12, 1947 - November 30, 2023

Carol Dickens passed from this life on November 30th after a long illness. Born in Waterbury, Conn. on Feb. 12, 1947, she was the only child of Laurence Dickens and Esther Ericson, though had several step-siblings, each of her parents having remarried.

Carol was a graduate of Wilby High School in Waterbury, and attended Boston University, graduating with a BSN from BU's School of Nursing. She lived and worked in Boston for some years, later relocating to Western Mass and working as an RN, primarily at BMC.

Health issues forced Carol to retire from her beloved profession prematurely, but also allowed her the opportunity to expand her faith life, becoming a convert to Catholicism. Her faith in God sustained her through trying times, and saw her through the end.

For the past year and a half Carol was a resident of Mt Greylock Extended Care Facility in Pittsfield. Many thanks are due to those who cared for her there, especially the staff of Unit 2.

A Liturgy of Christian Burial will be held on Thursday, December 7, 2023 at 10am at St. Mary's Church in Lee, with Fr. Brian McGrath officiating. There will be no calling hours. Burial will be held in Old Pine Grove Cemetery in Waterbury, CT.

Mass intentions for the repose of Carol's soul would be most welcome. Notice of such can be sent to Lisa Thorne at PO Box 1371, Stockbridge, MA 01262.

“ Carol was my roommate at Boston University in 1966. We remained friends over the years together with Trudy and Marilyn who were also students at that time. Carol was in my wedding in 1969 and we all managed to stay in touch as the years rolled by. I visited with her in 2019 and we were able to laugh and talk about those wonderful university years. Carol was a gentle soul who was kind and sincere and laughed easily. "Loved ones do not make our lives, but loving them does--and Death cannot take that away from us." Thinking of her with fond memories. Dianne Brown Burley

“ Carol was a wonderful friend - we spent much together in conversation, sometimes in prayer out by the gazebo where we both resided at the Lenox Schoolhouse - we shared much, I will miss her very much. Carol, a real lady, so lovely, persevered courageously throughout her illnesses, always kind and open for our times together sharing. "Good night, sweet Carol, and flights of angels sing thee to thy rest." Love and hugs,
