“ *Mr and Mrs duke &Chris:
I just came upon this when I was looking up my own mother and fathers obituaries to visit .
I am at a loss and very saddened to hear about Dan's passing.. as you all know we all grew up together , baseball and soccer , I remember coming over to hang out with Chris and Dan, and go over to the church field to hit golf balls and play base ball.. Dan was a great kid , he was smart and kind and just a great friend to me.
Hurts my heart to know he's gone.. I'm very sorry for your loss. Just know he's at peace now, watching over you all with a smile,
My best,

“ Dear Jessie and Frank,
My mom and I met Dan and you while my mom was at PCC/MCCC. Dan always brought a caring smile to her face as she greeted him with a calm, soothing hello while gently stroking his arm. She would ask me, with a mother's tender concern, how he was doing and often commanded me or the nurses to assist him, however she saw fit. I will always be grateful that Dan had a friend in my mom and my mom had a friend in you Jessie, as you always regarded her with kindness. I feel her presence often and believe she continues to watch over him. He was a special young man.
My deepest sympathy for your loss.

Sending my sincere condolences to all of you on Danny's passing. Of course my memories of him are of the spunky, happy elementary school boy, always smiling. May you find comfort in your memories, the love you shared, and that he now rests in peace.

“ To Daniel's Family,

My deepest prayers and sympathy are sent your way. I remember meeting Daniel when my mother was a patient at then Providence Care. My heart broke then and now it breaks again. Daniel was such a trooper. I remember him coming to the concerts in the dining room. His eyes warmed my heart and my mom's. If we didn't see him my mother would worry and hope he was okay. He touched so many people and so many hearts. Daniel, I can call you a dear friend because you brought joy and smiles to so many. Rest In Peace dear friend.
