“ *Daryl & Lance: What fun and laughs we had in high school - memories of soccer and basketball and even the Junior Prom. I hope your memories warm your hearts and please know that I thought often of David over the years. With sympathy, Judi Watson Olmstead*

“ *Daryl & family, I am so sorry for your loss. David was a beloved classmate with a keen wit, abundant charm, and a silky, smooth jump shot! His struggles did not define him. David was a kind, sensitive, and loyal friend. He loved and was proud of his big sister and Uncle Lance. I hope you find comfort knowing that he is soaring with angels in the peaceful presence of your parents in paradise. Peace be with you. Bobby L.*
