“ my three children grew up with david. they went to the same schools. had the same afterschool activities,. david was always a clown. fun to be with. one of the things he always said was. (thats cool man!) as a child he was full of life and laughter. as a young adult, he was a devoted father to his children. always a very quiet and seldom heard from person. there are those of us who will morn his sudden death for a very long time to come. may he rest in gods eternal love and grace forever.
