“ Dawn was a dedicated and valued school group trail guide and admissions desk volunteer for many years at Mass Audubon's Pleasant Valley Wildlife Sanctuary. She always gave generously of her time and talents. I remember Dawn as a cheerful, compassionate, and optimistic person who loved nature and truly enjoyed sharing her love of the natural world with others. She and her husband Percy were very loyal Mass Audubon and Berkshire Sanctuaries supporters who attended virtually all of our special events including our annual volunteer appreciation dinners. I consider myself fortunate to have known her; she will be missed by many. My condolences to Percy and the rest of her family.

“ We send our sincere condolences to Percy and the whole family. Dawn was a special friend. We shared many times together over the years - Birthdays, anniversaries, New Year's Eve parties, cruises, and long-time Dinner-Bridge group. We consider them almost family. So sorry to hear of Dawn's passing. She will certainly be missed.
