“ We are so sorry to hear of the passing of Donald . He was one of our landscaping clients for many years . He would always joke with my husband about him being a Red Sox fan and Donald being a Yankees fan. Anytime the Red Soxs lost he would send Dennis and say how about those Soxs lol ..He will be greatly missed , our condolences to the entire family

“ Lynn,
I am sorry for your loss. My thoughts are with you and your family. I am certain Don's impact on all who respected and loved him will live on long beyond these days of loss and sadness. I will miss the many laughs he and I shared during the more than 50 years of our friendship, as well as the numerous insights and encouragements he so generously passed on to me, many of which occurred during our out-of-state trips to major league baseball games. Don's friendship will forever affect my life.

With affection,
Joe Santoro
