“ *When I think of George I smile because his sense of humor was constant and infectious. He truly had a great heart and a generous nature. He was one of our trio that drove from Bridgeport, Connecticut to Mexico, in 1967, in a 1954 Chevy. We caught sailfish and sharks from a Mazatlan party boat. I knew George for sixty years. He was one of a kind. My condolences to his family. Rest in peace old friend. Jack Gagnon*

“ George grew up in our Black Rock neighborhood. Many fond memories of his jokester personality playing basketball with my brothers and other neighbors. I had a chance to exchange chats on Messenger earlier in April when he was at Baystate as my family was saying goodbye to our oldest brother, Ken. I hope you have visited with Ken and the other Dalys and your wonderful parents.

*With love, Kate Daly Rietberg*

*Sincerest condolences to George's family*
