

Mrs. Judith Ann Choquette

July 19, 1937 - September 15, 2021

Judith Ann Choquette, 84, of Lenox, died Wednesday at Berkshire Medical Center surrounded by her family.

Born in Westfield July 9, 1937, Judy was the daughter of George Page and Julia Quirk Holt. She was a graduate of Westfield High School. After high school she worked at the Westfield Savings Bank.

Judy married the love of her life, Vic, in 1956 in the Blessed Sacrament Church in Westfield and the two spent 65 wonderfully loving years together. As her children grew, she held various positions at Lenox establishments and volunteered in St. Mark's School Library.

Judy loved her grandchildren and travelled often to be with them. She enjoyed shopping for them and enjoyed watching them open their gifts. She attended many of their competitive dance and sporting events and enjoyed many phone calls and facetimes with them. They in turn loved her very much.

Judy is survived by her husband Vic Choquette, and her 5 children: Steve Choquette, Linda Schmidt, Jeanne Mickle, Amy Parsley and Julie Choquette.

Her true favorites were her 13 grandchildren: Laura, Andy, Brian, Alyssa, Brett, Jackie, Bobby, Allie, Michael, Sarah, Ricky and Victoria as well as 4 great-grandchildren, Ryleigh, Nolan, Julia and Evie. She also leaves two brothers, John and George Holt and was predeceased by her sister Shirley.

The Liturgy of Christian Burial will be 12 noon this Saturday, September 18, 2021, at St. Ann's Church in Lenox with the Rev. Monsignor John J. Bonzagni, Pastor, officiating. Burial will follow in St. Ann's Cemetery where all are

welcome. A celebration of life will be held at a later date. There are no calling hours. We would appreciate adherence to the church Covid protocol.

In lieu of flowers, donations in Judith Choquette's memory may be made to the children's section of the Lenox Public Library at

“ I’m sorry for Mrs Choquette’s passing. She will be greatly missed, but Heaven needed her happy compassionate spirit. I’ve known the Choquettes since I was 4 years old. They have been my lifetime neighbors. They both have watched me grow up to become an adult. Watched me start on my tricycle to owning my own car. I’ll always remember my visits with Mrs. Choquette (Mr. Choquette, too, of course would join in) for the past several years when I’d stop in to say hello. We’d talk about my students in China, what my parents, grandma, and siblings were doing, or my latest crafting project. I’d share pictures of my students or my projects too. Then she’d show me her knitting project or talk about her kindle and how she didn’t understand it very well. She’d tell me about what the children and grandchildren were doing . She was proud of them all and their accomplishments great or small. She mentioned she wanted to show me how to knit before the pandemic, but we never got to. However, I did teach myself, because she told me it would be easier than crochet. She was right. I enjoy knitting and never would’ve tried if she hadn’t pushed me. At Christmas time , she’d send over cookies shaped like angels or trees with sparkly sprinkles, or another interesting sweet, like a Hershey blossom. She’d show me her snowman that played the piano and was always happy to have me sit with her for an hour or two just talking. She saw me walking two weeks ago and stopped and said hi to me as she was on an errand in her car. I’ll miss our conversations about the changing neighborhood and world. I’ll miss her very much. I lost a special friend and the family lost a special grandma, wife, and mother. Always your forever friend, Gabby
