“ I had the privilege of working with Karl when he was an Associate at Cummings & Lockwood law firm, Stamford in the early 1980s. Never was there a more refined gentleman than Karl who treated me with respect and kindness always. I treasured knowing Karl and was saddened to learn he had passed on. Please accept my sincere condolences at the loss of your dear brother.

“ There are not enough words to express how my sister, Gusty, and I feel about the loss of our brother, Karl. He was always our shining star and will always be so. We cherish his uniqueness ~ his kindness, his intelligence. his humor, his love for reading, his generosity, his love of the environment, his love for hiking and snowshoeing, his love for the woods and his hiking companions, his love for his dear friends and, above all, his love and protection for his family. So unique and thank you, Karl, for giving that gift to us and to so many. You will always and forever be with us. Your loving sisters, Mary Lou and Gusty
