“ Words cannot express how sad my whole family has been, learning of Laura's passing. She was more than a friend, she was family, for a very long time in all our lives. Although years have passed, time does not erase the love, and all the beautiful memories we shared with Laura. Our hearts are broken too, and we wanted to reach out to all of Laura's family and friends to say she will never be forgotten! All our prayers, sympathy, and comfort, Beverly & Bunny, Gay, and our families!

“ I worked with Laura at Travel Dynamics. She was a great friend and we had wonderful times together. Took fun trips to the St. Maarten and Maui and other great adventures. One of the best times was man biking down the volcano on Maui. We had such a fun day. Getting up at 330am for the sunrise biking down the mountain stopping for lunch halfway and laughing because our tendons in our hands hurt from breaking. It has been a while since we have talked but I will always cherish the memories I have of Laura. She was a special woman with much love, kindness and fun. Wishing you comfort and peace. One of the best memories I had with her was Mtn. Biking down the volcano on Maui. We woke up at 330am saw a gorgeous sunrise and biked down the mountain stopping for brunch along the way. She was always up for adventure, travel and was a good friend. She was a special woman with much love and kindness and I feel honored that I called her friend.
