

## Mr Leslie A Green

July 28, 1950 - January 23, 2019

Leslie A. Green, 68, of Hope, ME., died Wednesday, January 23, 2019 at The Sussman House surrounded by his loving family.

Born on July 28, 1950 in West Springfield, MA, he spent every summer as a kid at his grandfather's cottage on Big Pond in Otis, MA. He moved to the greatest city in the world when he was a teenager, where he attended Huntington Prep School, and Boston State College. While in Boston, he met and married Janet Howes on June 24, 1972, and they moved to Medway, MA where he raised his family. They had 30 wonderful years together, taking their kids on countless adventures.

Les taught his children everything he knew, from his love of nature, hiking, sailing, soccer, boat building, farming, car repair, to quite simply, how to love life. Most importantly, he taught his children that family wasn't limited to your blood relatives. He constantly added to his family throughout his life, and he was so proud of what he had built.

Les added to the family again when he met and fell in love with Janet A. Keiver. They married on April 23, 2016, in Sherborn, MA. He always said he couldn't believe he got so lucky when he met her. They moved up to Maine to their dream home, not far from the ocean, with their dogs George and Otis. Besides his wife, Les is survived by his children; Robert Green (Shelley), Ruth Green, and his beloved grandson; Nathaniel, all of Boston, his niece Rebecca Green, and his nephew Dan (Jill) Green, and their children Siobhan and Saoirse, all of Colorado. He also leaves behind an extended family of people

who considered him a brother, a father, or an uncle, as well as many life-long friends.

Besides his parents; Les is pre-deceased by his first wife, Janet Howes, and his siblings; Robert F. Green and Grace Green.

A memorial service for Mr. Leslie A. Green will be held on Thursday, January 31st at 3 pm at the Unitarian Universalist Area Church, 11 Washington St. Sherborn, MA. There will be no calling hours per his wishes. A private burial will occur in Mountain View Cemetery in Lenox, MA. In lieu of flowers, donations in Les's memory may be made to Community Boating Inc., or the Massachusetts Society for the Prevention of Cruelty to Animals – Angell Animal Medical Center (MSPCA-Angell) in care of the Roche Funeral Home, 120 Main Street, Lenox, MA 01240.

“ *I worked with Les a Atrius Health. Les was the true definition of a gentleman. He never spoke a bad word about anyone and he always had a big smile on his face when he greeted me. Les was the kind of no nonsense matter of fact person that anyone could only hope to work with. He made my 9 to 5 easier and more bareable and for that I will always be appreciative. If you had so much as a five minute conversation with Les you would know that he loved nothing more than his family, children, grandchildren and dogs. I knew Les at a particularly difficult time and he always had subtle advice for me. He just knew exactly what to say when you needed to hear it. One day came in and proudly told me he had a new woman in his life. From that day forward he was never the same. He was in love and I was so grateful and happy to witness it. No one deserved to be loved more than Les. Although I feel he is gone way too soon I sure hope I can be as lucky as he to have family, friends and love..... his happy ending.*

“ Ruth and Bobby, your Dad was a kind, gentle and considerate man. I remember him walking me up the street after I babysat. I hope you find comfort in your memories of his love for you.

“ We have so many memories of Les and his family from their days on West Street in Medway. From Bonnie the cow who would escape every now and then, to the days when we would see Les and Janet out in the back woods snowshoeing after a snowstorm. He was a genuinely kind and gentle man and I am very sad to hear of his passing. My deepest sympathies to family and friends. I know he will be dearly missed.

“ As the tears of sadness come into my eyes, I am reminded of that Special snowy cold day in November many yrs ago when my Family met the Green family. They were moving in across the street w/a baby & his Mother in Law who was in a wheelchair. My husband thought they were Hippies moving in. I had just made a Pot Roast dinner & my boys brought it over to them and proceeded to help where they could. This was the beginning of a wonderful, loving relationship w/ a truly remarkable man, his wife & 2 gifted children. Les, You were truly a Good Man. May you Rest In Peace until we meet again.
