January 22, 1970 - March 2, 2019

Lenox –

Lisa B. Jacobs, 49, of West St., in Lenox, passed away peacefully into the heavenly arms of our Father and her Paternal father on March 2, 2019. Born on January 22, 1970, she was the beloved daughter of Maren Jacobs and the late Joseph Jacobs of Lenox. She attended Lenox High School and was a 1992 graduate of the special needs program. She was a member of St. Ann Parish in Lenox and of the New Genesis program, United Cerebral Palsy of Western Massachusetts and Berkshire County ARC.

Lisa was a gift to all who knew her. She was the light of the world on the darkest day. She will be missed for her sense of humor, her strength, her smile, her waves and the kisses that she shared with all who knew her as well as those she didn't. A special angel from above, those who were touched by her understand the quality of her existence far exceeded the time she had with us. She will be missed by all who loved her.

Lisa is also survived by her aunts and uncles. George Williams (Jaynee) of W. Stockbridge, Robert Williams (Meka) of Virginia, Bertha Starbird (Bob) and Eugene Jacobs (Alicia) of Florida, and Helen Baldwin (Jim) of New York as well as many cousins who all supported her throughout her life.

The family wishes to express their sincerest appreciation to the staff of Berkshire County ARC for their tremendous, loving care, UCP of Western Massachusetts for helping her achieve a Life Without Limits, and her many friends, all of whom touched her life every day.

“ *Maren and family,*

There are so many stories that I couldn't pick just one, but the last time I saw Lisa was at her friend Ilene's 90th birthday party. She hadn't changed one bit since the first day I met her at Baroco so many years ago. Certainly, her joy in life had not diminished. There was no one who took so much pleasure in all the little moments in a day. Lisa and I spent so much time together for a while, that she even found her way into my dreams, laughing and blowing kisses every time!

As I heard this news, all I could think is "How is Maren doing?" When I think of a mother who has worked tirelessly to give her child the best life possible, Maren is one of the first people to come to mind. Losing a child has to be one of the most difficult times any parent can face. Maren, you helped her to have such a wonderful, fulfilling life. In her obituary you mention all the agencies who helped her achieve so much. She was so blessed to have you there with her all the way. My heart aches when I think about not seeing her again and it aches for you. Her whole life was glorious.

All of us who knew Lisa and worked with her over the years were fortunate. She will be missed by so many.

“ Maren,
Johnny & I are so sorry to learn of Lisa’s passing. She taught us so much! She gave me a career that I thoroughly enjoyed for many years! My family benefited greatly from Lisa’s allowing me to learn from her!

A couple of funny stories I want to share.

I remember you would tell me about the types of food Lisa liked and didn’t like. One such food was “grapes”, or better known as “Ball! Ball!” ... as she picked them up one by one off her plate and threw them across the room! 🌀

Another was the morning Joe got up to make coffee and get the day started. What was that 5:00am or earlier??? As Joe walked past Lisa’s room in the dark, his foot brushed up against something and it startled him! He turned on the light, and there’s Lisa, laying in the doorway laughing and laughing and laughing! It was the first time she had ever gotten herself out of bed by herself! 😂

I’ll never forget that one! Proud Dad! Proud Mom! And Proud Lisa!
❤️👉👉😊

Lisa always had a smile on her face, unless it was a bad song on the radio, then she would frown and tears came unless it was changed quickly. 📺

And Lisa loved Dancing by either standing on her own two feet, or rocking side to side on one wheel in her chair! 🎵

People with special needs develop their own forms of communication, one just needs to listen, watch, learn, accept and love! I think Lisa has taught that to everyone she has met!

Thank you Joe and Maren for all that you’ve done to better the lives of Lisa’s Community by having Lisa be a big part of it! And Thank

you Lisa for being the Best Teacher I have ever had!

*And now we say to Lisa "Bye, Bye" and send kisses and wave with
a great big smile! 🍷🍷👐👐👋👩♀️*
