We shall never forget the great times we had dancing and listening to their music, especially at the Sheridan (?) House many years ago.

“ *I am sending love and prayers to the entire Zink family .Louie and the October Mountain Boys were our family for years. Fran and I along with the Fuller family followed them all over the place. They played at my sons wedding and several of the Fuller kids weddings. My Fran passed away a year ago in July so I know Louie will be playing that guitar for Fran. Louie and Norm will be jamming for Bud and Grace Fuller and Jack Fuller also. Sincerely Jill Lane*

“ *Some of the fondest memories I have was when Louie opened his home up for my family one year for Thanksgiving Dinner. It takes a special person to do something like this and Louie was that kind of special. Along with his witty words of wisdom as I'm sure he's already said something up there in Heaven. Rest in Peace Louie.*
