“ I am so sorry for your loss!💜💜

*Louise was a very special Mom with a big heart when it came to her boys and Grandkids and the rest of her family and friends as well. She helped me and Ron out years ago with our Auntie, so we could go somewhere and know that she was well taken care of. Bonnie loved Louise too, and will miss her conversations with her. She was the strongest woman I know and fought hard to get better. A walking miracle in my book. I'm praying she can finally find peace and joy in her reunion with her husband, and especially her boys, Tim and Todd and the rest of her family and friends who have gone before her. Rest in Peace Louise. 💜💜 Love, Bev and Bonnie*
