“ Elizabeth, Andree', John and family. My heart cried when I heard of Marcia's passing. She was my best friend for many years, until her disease took over her life. I still cared deeply for Marcia and prayed for her everyday. I moved to California 6 years ago, but everytime I would go back east I would always make time to see her. After she moved from Windsor St we lost touch and I still prayed for her everyday. I would get updates from Larry now and then. Im am sending healing thoughts and prayers to all of the family. Marcia's pain is over, she is whole again and with your Mother. Marcia is walking hand in hand in the Sunlight with the Spirit. Rest in peace dear Marcia, rest in peace.
