“ *In my sophomore year (1969) at Bellefontaine [Immaculate Heart of Mary Seminary across the street from the Mahoney house) I was in the infirmary for about a week. I was cared for in the infirmary by a pretty, competent nurse who always smelled nice. I was not the only student there who was fond of "Leo's Mom."*

I remember it as if it were yesterday.

Dear Lord, God, Father Almighty and Powerful, we thank you for sharing Mrs. Mahoney with us If only for short time.

Amen.

“ So many!! I remember her blowing into the microphone ever so softly to see is it was on before she would say in her (my apologies, Leo, Jr.) - Father MacDonald, you have a phone call on 0122. Hormone ridden seminarians would keel over at the sound of her voice!! During my four years, she was the Heart of Bellfontaine!! Loved you SO much! Rest In Peace ! I miss you already!!

“ A small word of thanx to Mrs. Mahoney for her many kindnesses during our various and sundry illnesses at Bellefontaine, where her infirmary was always a haven of warmth and laughter after a grueling day of classes. Her hospitality even extended the limits of the front gate, as she welcomed three "Trick or Treating" seminarians into her home one Halloween nite to watch the Opening Ceremonies of Walt Disney World in Orlando until way after night prayer! “ In 1961, a young student for the Priesthood was assigned to teach Latin and World History, be assistant prefect and athletic director at Immaculate Heart of Mary Seminary in Lenox Massachusetts. That young student is now 80 years of age.

Peggy Mahoney was our nurse at the seminary. Long after my two years at the Seminary, Peggy continued to be a tender and loving presence.

We didn't have enough feminine presence at the seminary, but Peggy provided a wonderful caring, professional presence.

I send my condolences to her family and friends. I have no doubt that she rests in peace.
