“ *My heartfelt condolences to the Wodarski family. Today I happened upon your mom's obituary through the Roche Funeral Home website as we prepare for my mom's imminent passing.*

I have the fondest memories from the brief time that our lives intersected all those years ago (mid-80's). Your mom made me feel so welcome in your home, and that period in my life will always be a treasured memory. If I was hungry (which was often,) she would make the BEST food, serving delicious gourmet meals the likes of which I had never tasted before.

Through the years I've thought of her often, occasionally hearing that my mom had seen or talked to her. Your mom was such a wonderful, intelligent, generous spirit, so energetic and full of life. She will not be forgotten.

“ Our deepest condolences to Marge's family during this time. Marge was a friend and neighbor to my mother, and a joy to all. When we would visit the area, she was welcoming, warm and had the brightest smile. We always shared a visit, and caught up on family news. She was so proud of her family, and she loved you all so very much. Marge was an amazing woman and we are stunned and saddened to hear of her passing.

Sharing in your sadness,

“ It was my great pleasure to learn to know Marguerite when we both worked at Hoadley Gallery. She was a kind and generous woman. After I moved to SC in 2002, we stayed in touch until a few years ago and now I feel so sad to learn about her passing. Her spirit lives on in my memories.
My heart-felt condolences to her wonderful family.

“ Tom and I send our sincere condolences to Marguerite's entire family. I was so sad to read of her passing. Marguerite was a talented, bright, beautiful woman and I feel blessed to have known her. After she retired from working for more than a decade in my gallery, I still had customers ask about her!! I will miss her terribly.
