“ I remember the day's that Marjorie would get together with my Grandmother (Granny). They had such a good time laughing and enjoying life. I know they are together again today in heaven doing the same. They are looking down on us all. Until we all meet again. May Marjorie's memory live on forever she was a great lady. May the Lord watch over her family always and help them through these difficult times.

“ There are so many funny stories that I could tell and so so many wonderful memories that I have of Marge. But the one thing that I think about the most is that it could be months or years that I wouldn't see her and we always picked up where we left off. Just like it was two hours ago that we saw each other. She was a wonderful lady that would give you the shirt off her back if you needed it. I will miss you my friend and cousin until we meet again. I know you are well again and so happy. Sandy you Marsha and Jeanne are in my thoughts and prayers.
