“ Regina & Jim, and family,
I am so sorry I did not attend your mom's service. Our family loved your mom especially my mom, Ruthie, as she called her. I worked with your mom and mine at Tanglewood for years we had great fun working together. Marge and I set off the fire alarm at the Tappin building once because she was determined to get the dust off of what we thought was a light, that was really a smoke detector. The fire trucks came, but we looked innocent that we didn't know what happened. Her years as our Avon lady were the best, she spent so much time visiting with my mom, it's a wonder she ever finished delivering. She was a wonderful lady and I am happy she is visiting with Ruthie again. I know you'll miss her, but believe me she'll be around you everyday!
Take care,
Teri Salvatore

“ Marge was a great lady!! The Avon lady, she'd always announced her arrival with a hi-de-ho..and of course with a toot of her horn, because she was afraid of our dog and wouldn't get out of her car. She has and will be missed ❤️

“ *Marge was a pure joy to be around, loved it when she came to visit as her ding dong lady rounds and when she subbed with us in the kitchen. She will be missed by all but take comfort that she's with her Nimmy again!*
