“ I can remember Nate vaguely as a little boy, but what stuck out to me from meeting him as an adult many years later was his genuine friendliness and good humor, and his joy at just being with family. I hope wherever Nate is now, he's enjoying a trip through the snow on his beloved snowmobile. His cheerful laugh will be missed.

“ Dear Nancy and Cousins:

I regret that Amy and I will not be able to attend the service this Saturday.

As you can read on the flowers that we sent, "Until we meet again." I'm confident that I will see my brother Nathan again someday.

Nancy: Your dad was very proud of all you have become, a wonderful mother! You went to school while raising a family to become a nurse at BMC, While suffering the loss of your husband at the same time. Now taking care of all the details related to your dad's passing. That is an overwhelming responsibility too bear. Your tough and your dad told us so!!

Memories: 1. Riding Nates Snow mobile thru the fields and woods. Seeing his smile and laughter as we returned it without a scratch. Taking photos of him flying thru the air on that powerful yellow machine!!!

2. Watching him with my mother, laughing and enjoying living together at our home on walker st. in Lenox.

3. Racing field cars thru the Sedgwick property on dirt tracks and spinning out down at the bottom trying not to crash into each other!! and the engines just smoking from the heat!!

4. Sad that I just can't call him on the phone anymore.

*Only Brother,
Charlie*

“ *My sympathy at the passing of Nathan. He was a classmate of mine since the Lenox Dale School. He was good guy and it was always nice to run into him and talk. May he rest in peace.*
