“ I just learned last evening of the passing of Hutch, from Audrey and Pauline Giacoletto. I am so sorry for your tremendous loss, your Dad was a lovely man. He didn't know me by name, just as a customer who would occasionally need a screen repaired. I enjoyed going to his shop...he was such a kind person. I will miss his presence on Wahconah Street.

*May God comfort all those who mourn.*

*Sincerely,

*I taught at Cameron School for several years before moving to the Morris School.*

*Please tell him that I am sorry that he lost his uncle and my sympathy to Hutch's sister Arlene and the rest of the family.*

So sorry to hear of Richard's passing. He was always so friendly when we saw him at family functions. He was also an usher in our wedding over 51 years ago. Where has the time gone. RIP Richard.

*Dear Ricarda,  
So sad to hear about your Dads passing. I had so many great times hunting, fishing, and just target shooting at the club on winter days. I think about the days when you and my daughter Shannon were little and would hang out at the club with us. You'd shoot your bows or play on the swing while we threw horseshoes. Think about times like those and smile girl. Thats what i'll be doing.*
