“ I believe that Roger was the man that came to Mom and Phil's funerals. He talked of a Roger often and I knew he lived closer to us than most PVLS members. Ha, ha. I'm almost think that is Mom and Phil's trailer in the background of Roger's picture. I'm so sorry for your loss, but he has good company...Mom left us in November, 2013 (Kit Wunder) and Phil left us in July, 2012 (Wunder). Too soon, in my opinion. Miss them all. My thoughts and prayers are with Roger's family.

“ Wayne, Brian, Brenda and Gloria,

Me, Al and Tammy were saddened to hear of your dad's passing and send our condolences. I will always remember the times our families spent together growing up when we were still living in Mass. Your dad was my dad's best friend even when miles came between them. I have so many memories of the both of them and I will never forget them. He will be missed by so many. I know him, my dad and my mom will once again see each other and be watching over all of us. We send our thoughts, prayers and love to all of you. If any of you ever just need to talk, please don't hesitate to call or message me. Please give your mother a hug from all of us.

“ Wayne, so very sad to read this. Your Dad was very young. I do remember him. It was a different era in the 70's but he loved you kids and he taught you a lot....at least from what I saw all those years ago.

My prayers are with you all. Keep those memories alive for ever in your hearts.
