

## Ms. Sara Michelle Bowers

October 14, 1981 - September 30, 2021

Sara Michelle Bowers, 39 of Lee, passed away Thursday, September 30th at Baystate Medical Center with her loving family by her side. Sara was the daughter of David Bowers Jr. and Lisa Haywood Bowers, born on October 14, 1981 in Pittsfield, MA. She was a graduate of Lee High School, class of 2000. Sara was artistic and had a knack for poetry and the arts. She loved to draw, write, and read astrological signs. With her creative flair and passion for beauty, Sara went on to study cosmetology. She always presented herself well and accessorized to the nines; finding time to shop was never a problem. Sarcastic and spicy Sara had a huge personality that never held back. Her bold comments at the dinner table were never filtered and always timed to perfection, or lack thereof. Sara loved time with her family, especially bonding with her son Damenacoe, who was truly her pride and joy. Being outdoors, snuggling up to a movie, and vacations to York Beach, were amongst their favorites.

Sara is survived by her son, Damenacoe Conway; parents, David and Lisa Bowers of Lee; sisters, Madeline Bowers, Rebecca Collins and her husband Evan; brothers, Steven and Jordan Bowers; nieces, Bella Kearin, Milania, and Catalina Collins; grandmother, Rosalind Haywood; and many loving aunts, uncles, cousins and extended family.

She is pre-deceased by her maternal grandfather, Paul Haywood and fraternal grandparents, David and Mary Bowers.

The funeral for Sara will be held on Wednesday, October 6, 2021 at 11:00 am

at St. Mary's Church in Lee. Burial will follow at St. Mary's Cemetery. There will be no calling hours. In lieu of flowers, donations in Sara's memory may be made to Damenacoe's Educational Fund in care of Roche Funeral Home, 120 Main Street, Lenox, MA 01240. Additionally, the family would like to recognize the compassionate care that Sara received while at Baystate Medical Center. Most notably, Dr. Eubank and her nurse Nicole Arnold of the Surgical Intensive Care Unit.
