“ *To Brian and family,  
It is with great sadness hearing about the passing of your mother.  
She and I shared many, many adventures together over the years,  
far too many and some way too crazy to tell. Those adventures are  
memories that I will always cherish, and I hope she has left you with  
just as many, so that you can cherish them too. May those  
memories give you peace. My sincerest sympathy,*
