

Mr. Ted (Edward) Frederick

October 6, 1973 - November 22, 2024

Ted (Edward) Frederick, 51, of Pittsfield died after a brief illness on November 22, 2024, with his son by his side.

He was born in Oneonta, NY., on October 6, 1973, to Linda and Irving Frederick (deceased). Ted was the son of Linda and Jim Trepanier. He grew up in Lowell, MA and was a 1991 graduate from Bishop Guertin High School, where he met his lifetime friend, Mark. After high school, Ted attended Babson College in Boston where he found brotherhood with another lifelong friend, Kyle, and the rest of the Theta Chi fraternity. At the wedding of one of his brothers he met his love, Susan. They married in 1999. He relocated to the Berkshires to start a family, where he began working in Information Technology at CompuWorks. Ted rose through the Microsoft ranks almost effortlessly. Ready for the next challenge, in "Y2K" he started his own business, Ascentek Technology, which he ran for twenty years. Ascentek gave him more opportunities for kinship with his business relationships. This year, he merged with Synagex Modern IT where he worked as their Chief Technology Officer, adding to their company culture.

Ted was a storyteller, charming almost everyone he met with a clever joke or well-timed magic trick. He enjoyed the spontaneous. A perpetual hobbyist, Ted was always collecting new skills. Whether he was mastering magic and mentalism, teaching poker, or discovering woodworking and 3D printing, he was always willing to try something new and believed he could teach himself anything. Ted was also a movie buff, and loved watching films, especially,

when sharing them with his son. Additionally, he was a voracious reader and could always be found tackling multiple books at once. His eclectic taste in music was evident in his record collection as well as the numerous recommendations he gave to everyone in his life.

Ted is survived by his son, Jack; his former wife of twenty years, Susan; his stepfather and mother, James and Linda Trepanier; his surrogate brothers from Theta Chi; and all of the fast friends he made across Berkshire County and beyond.... "To know him, was to love him."

A memorial service will be held on Saturday, November 30th at 11am at the Church on the Hill in Lenox, with Rev. Liz Goodman, officiating. Calling hours will be held on Friday, November 29th from 5:00- 7:00 pm at the Roche Funeral Home, 120 Main Street, Lenox. As a longtime business owner, Ted enjoyed supporting many organizations, especially his son's teams and clubs. With this in mind, donations in Ted's memory may be made to Lenox Public Schools, in care of the funeral home.

“ I have to thank Jackson for leading me to cross paths with Ted. I had the privilege and honor of working for Ted at Ascentek for 5 years. I learned a lot from him, and I hope he got to learn a little from me. He always had a tidbit of wisdom to share, a clever idiom, or would surprise us with an impromptu magic show when he wanted to try out a new trick. Working for Ted was never something to dread; it was always something to look forward to.

One thing that never changed was how much he cared about others. He always wanted to make someone else's life a little easier, even if it cost him something in return. Rarely did a day go by without hearing about something he wanted to do for his family, especially Jackson.

Ted was more than a boss to me—he was a leader and a friend. He touched each of our lives in his own special way. I wouldn't be where I am today without you.

I'll never forget you, my friend. I'll make sure to have a jar of pickles and an Angus bacon cheeseburger waiting for you.

Sincerely,

Ben Finley

*Susan, when we heard about Ted's passing from our son Mark, my husband and I were truly saddened. Prayers for him were uttered almost right away, not only for him but for you and your son as well. This tragic moment in time will pass but we know its effect will last a lifetime. Please accept our sympathy for your loss and know you will remain in our thoughts. May you find the peace and support you need.
God speed, Ted.*

“ *Ted was a wonderful guy and will sorely be missed - by me and everyone who knew him.*

I met Ted through work. He provided impeccable support to me and my company for years during his leadership at Ascentek. But beyond the work relationship, I always felt a special kinship with Ted. He was a dedicated and fantastic IT resource ... but he was also always willing to share a smile and a joke and I felt we developed a strong friendly bond over time.

Ted was so dedicated to his family - especially his son. I heard about Jack frequently and I could sense the love in his heart and twinkle in his eye coming through the phone calls we shared.

I tried many times to get Ted out on the golf course but sadly only golfed with him once. We had such a great time! He gave everything his all and that day was no different. Drinks, laughter, and some not so great golf were the highlights of the day and I'll remember it fondly.

Here's to you, friend! You'll be missed.
