“ My Uncle Teddy was one of a kind. He was so sweet and always had a smile for me and kind word. Every time I called to say hi he would say my name in such a way that made me feel so special and he was happy to hear from me. Aunt Helen and he would take the train to visit Ben and me in Franklin, they loved taking the train everywhere

He was a hard working man also I would babysit Emily and Chuck when Auntie Helen was working at night so he could come home from work and get to study for his engineering degree. You're always in my heart Uncle Ted I love you and miss you.
