“ Tom disciplined me as a new Christian. He spent time with me when he could have been out making sales calls. He had bible studiies in his home, hosting me and many others. He stood for something when others stood for nothing. He was not afraid to take a moral stand, whether it was people or issues. His positive influence affected 2 church's we both attended. He turned his completely around for the sake of Christ and the Gospel message. For this, I will always be grateful.

“ So sorry to hear of Tom's passing. We go a long way back. Still remember their wedding, their house in Brunswick, so many wonderful memories. God bless and be with you all as you grieve your dad and grandpa.
