“ So sorry to hear of Valerie's passing. She was a classmate at LMHS and that picture of her smiling is exactly how I remember her. My deepest sympathy to her family and friends.

“ My deepest condolences to Valerie's family and friends. I knew Valerie in elementary school in Lenox (Center School) as well as during our years in Lenox Memorial High.

She was very shy but also quite sweet. She often arrived to Center in her family's Corvaair then quietly joined a few of the girls for fun and games. I will always remember Valerie and am very sorry she has passed.

My condolences to Val's family and friends. We went all through school together. She was more quiet than me (and I was shy!), but she was fun and had a great smile and laugh. I have often thought of her through the years. Rest in peace, Val
