“ I would like to offer my most sincere condolences to Betsy and the entire Pickett family. Vivian, while occasionally being staunch in voicing her opinions, had a deep devotion to her faith and her family. In that she will forever be an example to us all of a life well lived. Dave Charbonneau

Pikett. Spell check strikes again. I guess I should be able to spell that name correctly after all these years. My apologies

“ *Vivian was my favorite nurse to work with when I was a nursing assistant at Dalton Nursing Home. She also hosted a picnic at her house when I graduated from nursing school.*
